## RADICAL KINDNESS CAN CHANGE YOUR WORLD

By Rev. Violet Young

When we talk about the world, we often mean the world outside of ourselves. The one with all the difficult political news, tragedies and inherent feelings of "what can I, as one person, do?" I'm not talking about THAT world. I'm talking about our **INNER WORLD**, the world of OURSELVES, where we're actually able to create personal change inside which then pours into the outside world. I'm talking about making a conscious choice to do something proactively different. I'm talking about practicing **RADICAL KINDNESS**.

We are bombarded by FEAR, **False**, **Evidence**, **Appearing**, **Real**, on a daily basis through the media. We need remember we are totally capable of doing something about how we process this information. **FEAR** is a manipulative tactic creating the false sense that we are helpless/hopeless. Falling prey to that sinks us into despair. Employing CRITICAL THINKING and exploring news outlets, determining the ones using journalism and truly reporting what is happening, and which ones are creating the news by opinion, is something we can all choose to do. You will actually feel the difference when you feed your **INNER WORLD** truth-based information. The real truth may be difficult to learn about, but it will have a different effect on us than the fear mongering of opinion.

### PRACTICING RADICAL KINDNESS CHANGES YOUR WORLD

I have suffered bigotry and misogyny and I choose to follow my mother's teachings of being open, friendly and inclusive to people in general. Practicing **RADICAL KINDNESS** daily is how I navigate the FEAR based **OUTER** World conditions. It feels great when someone does something nice for me and I've made it my lifework to create those warm feelings in others. When we focus our attention on **LOVE** instead of FEAR it changes our **INNER WORLD**. Creating this tangible, daily practice feeds our **INNER WORLD** helping us remember that we do, in fact, have the POWER to change the world one **RADICAL KINDNESS** at a time.

**RADICAL KINDNESS** is fun and as simple as acknowledging someone with a smile, saying hi or waving to someone new or interacting playfully with children and their parents. By holding the door for someone, helping someone reach something in the store, offering help to a struggling person with awkward or heavy items, volunteering your talents and time or paying for the next person's coffee in line you are effecting positive change for those people and practicing **RADICAL KINDNESS**. Imagine if someone did things like this for you, wouldn't you feel like the outside world was a nicer and more pleasant place to live?

By being **Consistently Conscientiously Conscious** and focusing your attention outside yourself, you will notice how **RADICAL KINDNESS** creates Goodwill Ripples in the whole Universe helping weave the fabric of love in our society, fostering tolerance and inclusivity. I do caring, thoughtful acts like I breathe because that is what I choose to do. Join me and pledge to practice **RADICAL KINDNESS** daily. You'll be creating **INNER** and **OUTER WORLD HARMONY**.

## Change by Rev. Violet Young

Change is just change and nothing more.

If you mix change with fear

It shuts the growth door.

Discover you're worthy of change without fear.

Following your bliss is what brings God near.

Discover your worth and you can uncover,  
The strength to take risks and be like none other.

### Won/One

I Won, You Won, We Won.

I One, You One, We One.

And when we are all One,  
Then we will have all Won.

## MAY THE LIGHT OF LOVE

David Roth is one of my favorite singer/songwriters. The words to his song May The Light of Love capture the essence of my feelings and are reprinted with his permission.

As we come around to take our places at the table  
A moment to remember and reflect upon our wealth  
Here's to loving friends and family, Here's to being able  
To gather here together in good company and health

May we be released from all those feelings that would harm us  
May we have the will to give them up and get them gone  
For heavy are the satchels full of anger and false promise  
May we have the strength to put them down

May we wish the best for everyone that we encounter  
May we swallow pride and may we do away with fear  
For it's only what we do not know that we have grown afraid of  
And only what we do not choose to hear

As we bless our daily bread and drink our day's libations  
May we be reminded of the lost and wayward soul  
The hungry and the homeless that we have in every nation  
May we fill each empty cup and bowl

May nothing ever come between or threaten to divide us  
May we never take for granted all the gifts that we receive  
Being ever mindful of the unseen hands that guide us  
And the miracles that cause us the believe

May the light of love be shining deep within your spirit  
May the torch of mercy clear the path and show the way  
May the horn of plenty sound so everyone can hear it  
May the light of love be with you every day.

### THE PRAYER OF SAINT FRANCIS OF ASSISI

Lord,  
Make me an instrument of thy peace.  
Where there is hatred let me sow love;  
Where there is injury, pardon;  
Where there is doubt, faith;  
Where there is despair, hope;  
Where there is darkness, light; and  
Where there is sadness, joy.

O Divine Master,  
Grant that I may not so much  
Seek to be consoled as to console;  
To be understood as to understand;  
To be loved as to love;  
For it is in giving that we receive;  
It is in pardoning that we are pardoned, and  
It is in dying that we are born to eternal life.
